

How to Find Student Success Center Microsoft Teams on a Desktop or Laptop

Two ways to enter Microsoft Teams

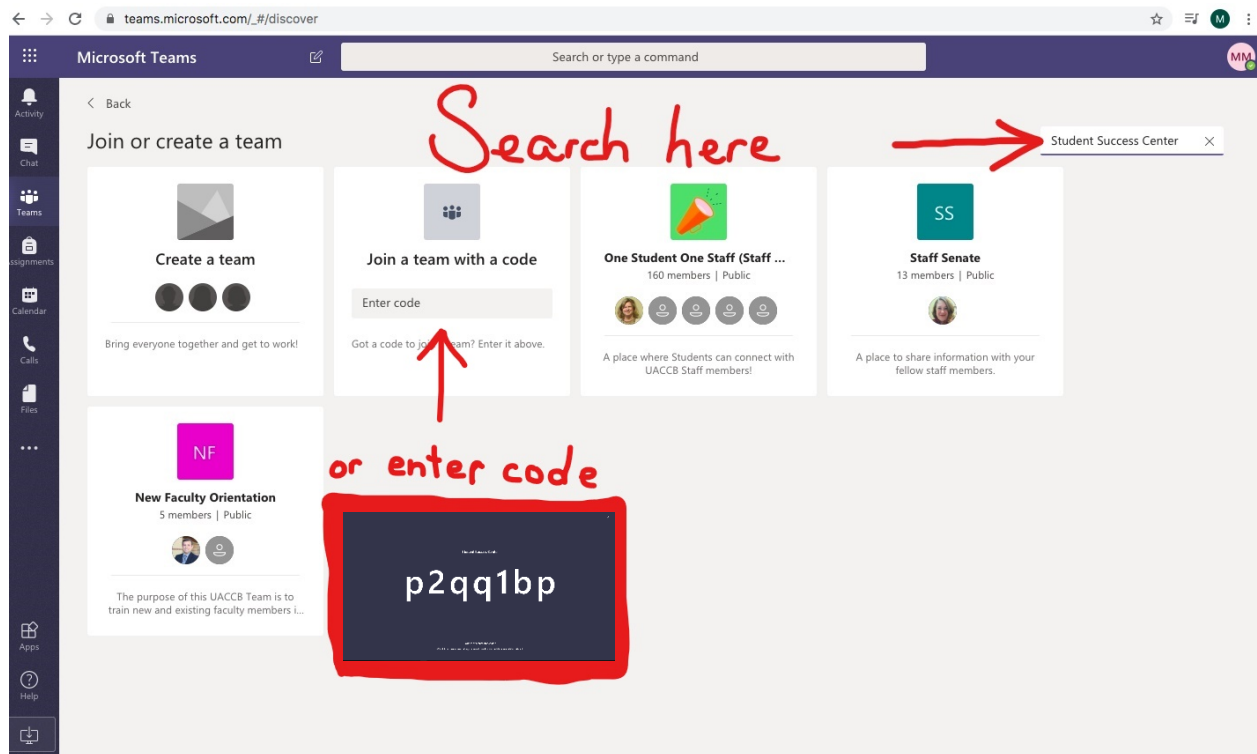

- Search for **Microsoft Teams** in your web browser and download it to your device (you may be prompted to enter your school email)
- Through your school email by using the app launcher

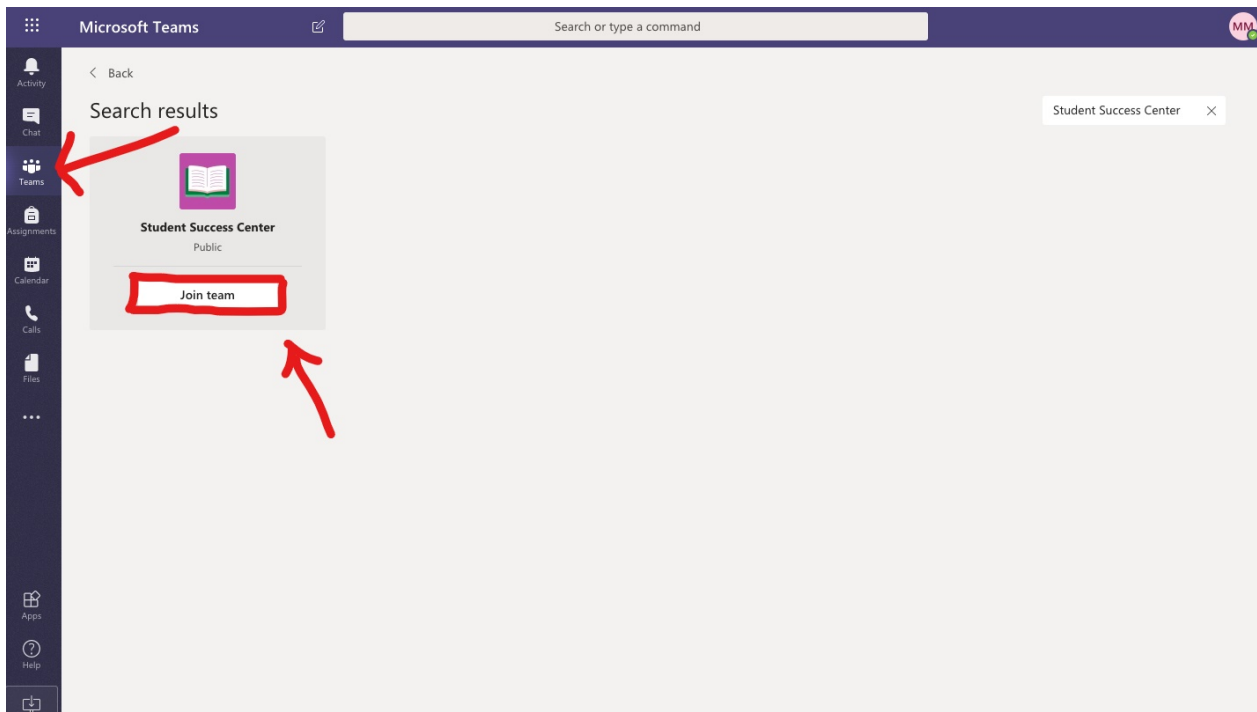

Once you have entered Teams, you need to search for *Student Success Center*.
Select **Team** and then **Join or create team**....

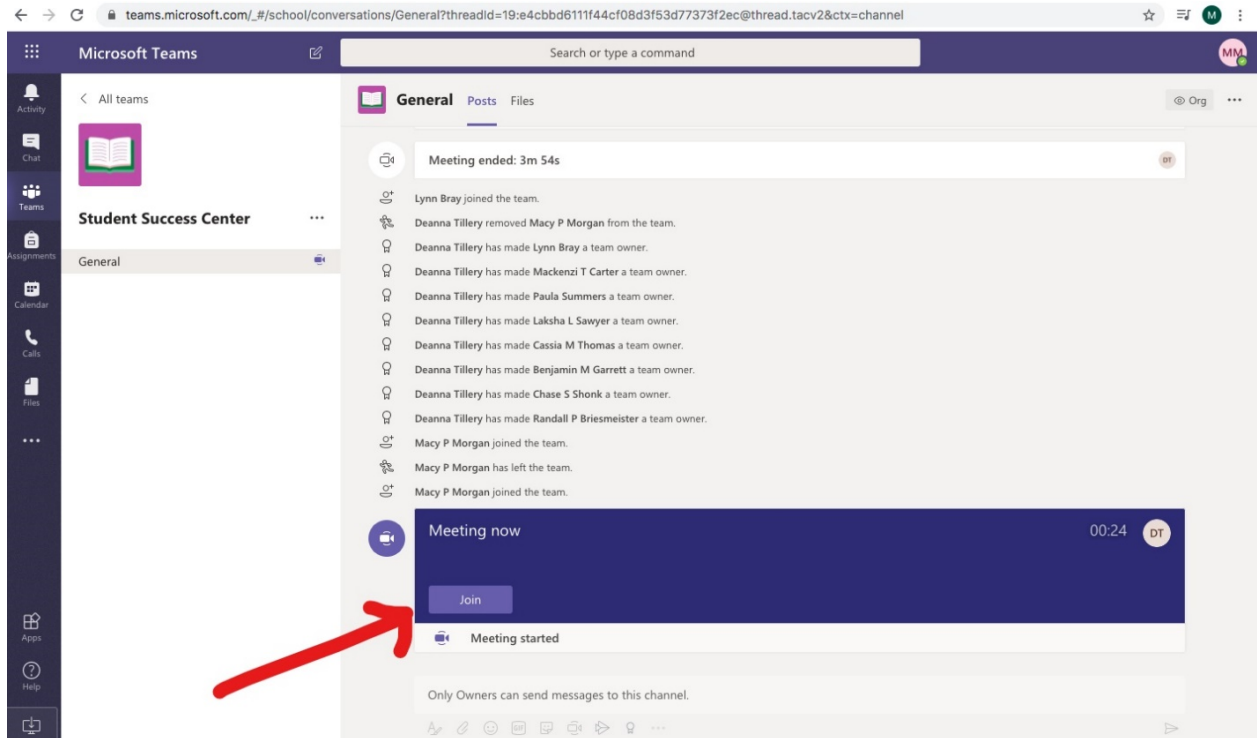

There will be a search bar where you can enter **Student Success Center** or enter the code **p2qq1bp**.

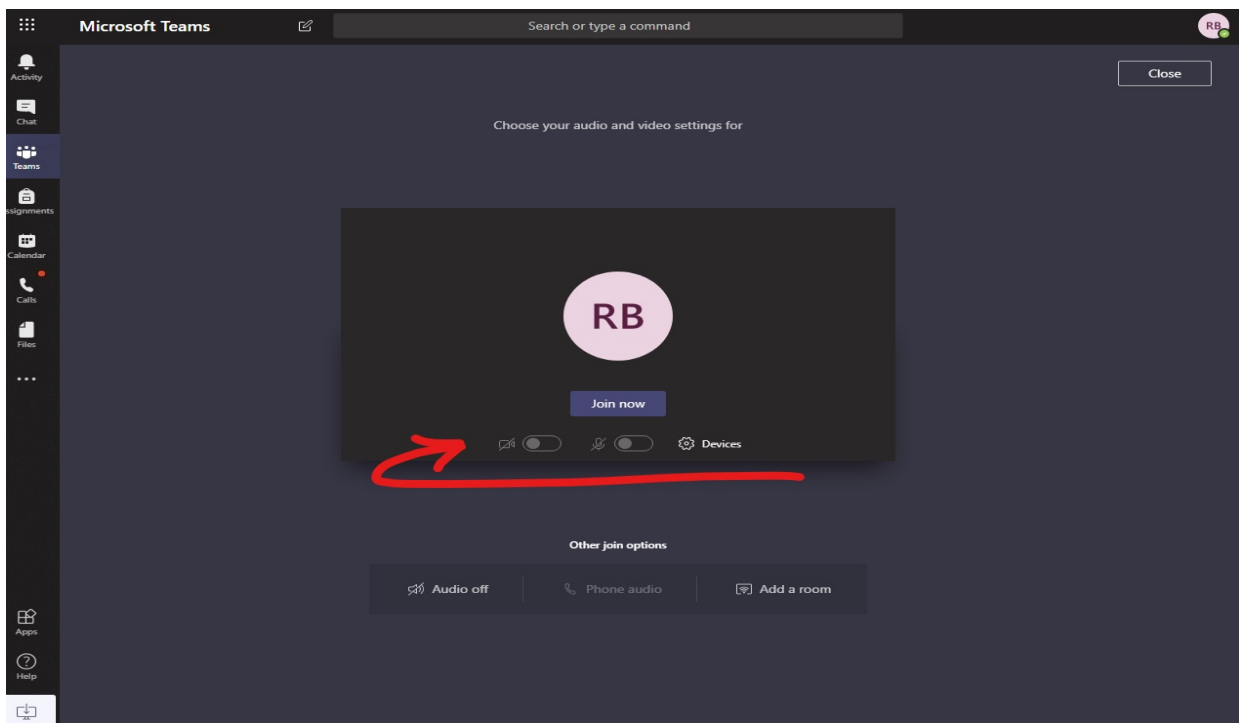

There you will find the Students Success Center team. Join and find it in your Teams tab.

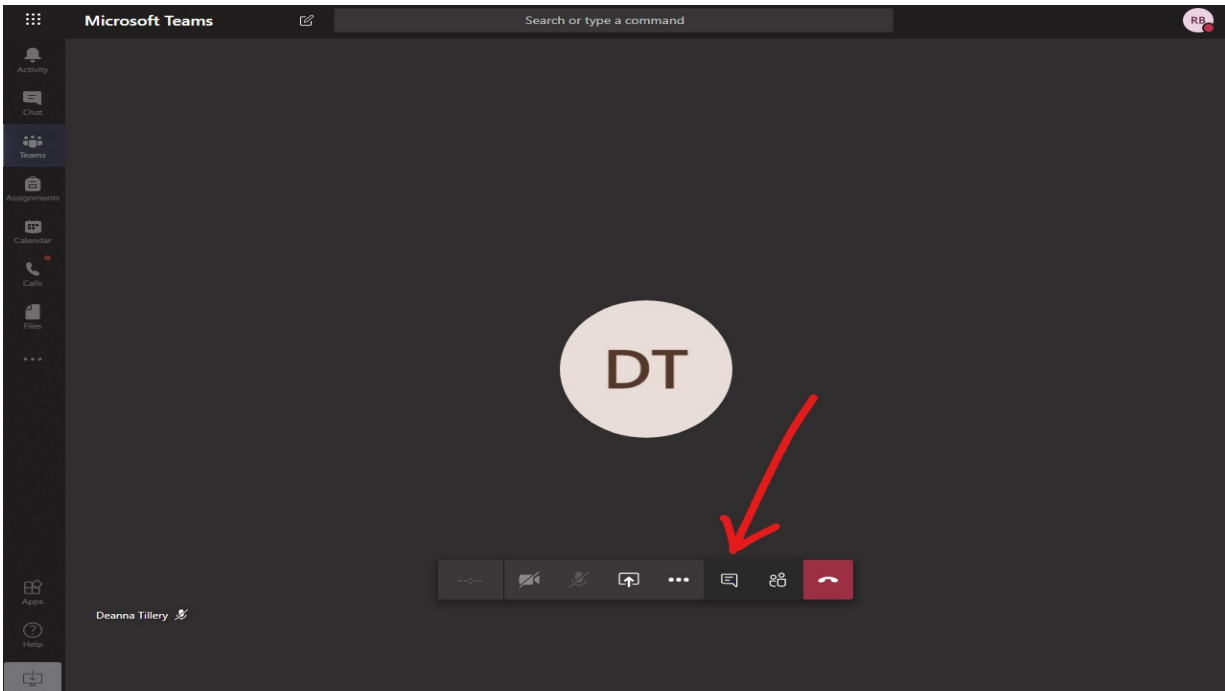

Click **join** to connect with a tutor.

Choose your audio and video settings and join.

Now, you can click **show conversation**.

Welcome to the Student Success Center Teams! How can we help you?
