Human Services

Cosmetology Degrees and Certificates	Required Credit Hours
Technical Certificate Cosmetology	42
Certificate of Proficiency Cosmetology Instructor	18

Criminal Justice Degrees and Certificates	Required Credit Hours
Associate of Science Criminal Justice	60

Criminal Justice Institute Training for Current Law Enforcement Officers

The Criminal Justice Institute of the University of Arkansas System and UACCB partner to offer the following for persons who are currently certified law enforcement officers.

- Certificate of Proficiency Crime Scene Investigation
- Certificate of Proficiency Law Enforcement Administration
- Technical Certificate Crime Scene Investigation
- Technical Certificate Law Enforcement Administration
- Associate of Applied Science Crime Scene Investigation
- Associate of Applied Science Law Enforcement Administration

Early Childhood Education Degrees and Certificates	Required Credit Hours
Certificate of Proficiency Early Childhood Education	9
Technical Certificate Early Childhood Education	27
Associate of Applied Science Early Childhood Education	60

Certificate of Proficiency Cosmetology Instructor

Program Learning Outcomes

- Demonstrate technical skills in hair, skin, and nail care, and effectively teach these techniques to aspiring cosmetologist.
- Apply principles of learning theory and effective teaching methodologies to create lesson plans and classroom experiences for cosmetology students.
- Implement strategies to assess student learning and practical skills in a cosmetology education environment.
- Exhibit professional leadership skills and ethical behavior necessary for managing a cosmetology classroom or training salon.

Program Requirements

Course Name	Course Number	Credit Hours
Cosmetology Instructor I	COSM 21009	9
Cosmetology Instructor II	COSM 22009	9

Total Credit Hours Required for Credential Completion: 18

Technical Certificate Cosmetology

Program Learning Outcomes

- Demonstrate proficiency in a wide range of cosmetology techniques including hair cutting, coloring, styling, nail care, and skincare treatments in compliance with state board standards and industry best practices.
- Apply critical thinking and problem-solving skills to assess client needs, recommend appropriate services, and create desired outcome.
- Exhibit professional conduct, effective communication, and strong customer service skills in a salon environment while adhering to ethical and legal standards of the cosmetology industry.
- Develop and implement safe and sanitary practices in all aspects of cosmetology services to protect the health and well-being of clients and practitioners.

Program Requirements

Course Name	Course Number	Credit Hours
Cosmetology I	COSM 10118	18
Cosmetology II	COSM 10218	18
Cosmetology III	COSM 13006	6

Total Credit Hours Required for Credential Completion: 42

Program Course Sequence

Term	Course Name	Course Number	Total Credit Hours
Fall	Cosmetology I	COSM 10118	18
Spring	Cosmetology II	COSM 10218	18
Summer	Cosmetology III	COSM 13006	6

Cosmetology program entry occurs on a rolling basis. Students will be enrolled in appropriate course based on entry term.

Certificate of Proficiency Early Childhood Education

Program Learning Outcomes

- Demonstrate knowledge of child development theories and apply them to create developmentally appropriate learning environments and activities for children from birth to age 5.
- Exhibit professional and ethical behavior in early childhood settings, including effective communication with internal and external stakeholders.

Program Requirements

Course Name	Course Number	Credit Hours
Foundations of Early Childhood Education	ECED 10083	3
Child Growth and Development	ECED 11003	3
Environment for Young Children	ECED 12043	3
Field Experience	ECED 13003	3

Total Credit Hours Required for Credential Completion: 12

Suggested Course Sequence

Term	Course Name	Course Number	Total Credit Hours
Fall	Foundations of Early Childhood Education Child Growth and Development Environment for Young Children Field Experience	ECED 10083 ECED 11003 ECED 12043 ECED 13003	12

Technical Certificate Early Childhood Education

Program Learning Outcomes

- Demonstrate knowledge of child development theories and apply them to create developmentally appropriate learning environments and activities for children from birth to age 5.
- Increase proficiency with computation skills including fundamental arithmetic and algebra.
- Exhibit professional and ethical behavior in early childhood settings, including effective communication with internal and external stakeholders.
- Employ effective observation, documentation, and assessment strategies to support young children's learning and development in partnership with families and other professionals.

Program Requirements
